North and East.

WINTER SCHEDULE

SHORT LINE

FINANCE AND TRADE. MEMPHIS, February 20, 1871. business transactions upon the new Charleston ... as may be to its inevitable demands. The old and exploded habit of large and expensive semi-annual purchases by shrewd country merchants has passed, among other decayed customs, among the things that were; and in its stead has been substi-compared with last year, will be seen tuted the system of short or monthly from the following table: purchases, which enables the merchant to keep his customers at all times supplied with the constantly changing novelties of the day, besides relieving him of the danger always imminent, of less consequent upon large outlays in goods, always subject to dangerous fluctuations in value, as well as liability to changes in styles and deprecia-tions, likely to arise by reason of wear and tear, interest and other inall large investments in merchandise. Nothing is more observable than the Nothing is more observable than the Jan.

prosperity which is moving hand in Jan.

Jan. hand with the business of that class Jan. of merchants who buy and sell on Jan. 20. the old system of long credit, involving, in the very nature of things, POINTS IN THE WEST. the buyer or seller. Suppose a mer-chant makes, twelve times a year, small monthly purchases, upon each of which he realizes a net profit of 10 per cent, aggregating 120 per cent, is he not richer at the end of the year than his old fegy neighbor, who buys St. Louis..... only two stocks of same aggregate Chicago...... 25 per cent. profit? It is palpable Milwaukee... has not only made more money, but has supplied his customers at a rate lower than his old fogy competitor. Peoria. Now, such facts as these are awakening all prodent consumers to a much more careful investigation of expendiforce than in former years, and the Chilleothe system of economy which is rapidly Ripley growing in the reflecting mind of Centerville On TUISDAY, the market openbetter grades, and low grades Madison. dull. Exporters and spinners were represented among the purchasers; Keskuk...... the former to the extent of about so) bales, principally of the medium DesMoines..... or low grades. Buyers were indiffer- St. Joseph..... ent during the early part of the day, Nashville ...... and obtained liberal concessions on Detroit ..... the low grades, but were unable to obtain any reduction on grades above Low Middling. Sales were 2400 bales, including Ordinary and mixed lists at Low Middling. Sales were 2400 bales, including Ordinary and mixed lists at 1016111c; Good Ordinary at 1216121c, with exceptional sales at 12213c; mountly circular of Messrs. Small & Middlings. Strict Middlings. Strict Good Ordinary was reported at 12% and 13%. Low Middling was purchased at 13% all while Clean bibit is a very favorable one:

\*\*Co. In addition to the sales we mention, a transaction of 3500 bags sold to a Cincinnali buyer. The month's expurchased at 13% all, while Clean bibit is a very favorable one:

\*\*Co. In addition to the sales we mention, a transaction of 3500 bags sold to a Cincinnali buyer. The month's expurchased at 13% all. Stains running close upon Low Mid-dling were reported at 12(; exception-al purchases of Low Middling were eported at 131, and strict Low Middling was reported at 18 to 13, and
Middling at 14 to 14; strict to good
Middling was found in small lots and
importations since July 1, 1870... 125,270 purchased at 14fa15c. On WEDNES-DAY the market was further depressed by unfavorable intelligence from Liverpool and New York, and low grades were a drug at almost any January 24-bark Majorian, George price. Exporters and spinners were in the market early in the day for emall lots to fill orders, but withdrew as soon as their orders were completed. Prices were irregular Orders. 

12jai2je, and Clean Stains at from 12j to 12 jc, with an exceptional sale at 12c; ow Middlings were found at 13 a 13 e; Good ...... Strict Low Middlings ranged from 134 Fair..... to 183c, Middlings from 182 to 14c, THE WEEK

Closes upon active markets. The deStrict Good Middlings were found in mand in all departments is good, and the outlook more pleasant and enguraging than any we have been able to allow York market closed dull, chronicle for some weeks. All our railroad and manufacturing enterprises are in a flourishing condition, our steamboat interest is growing, and opened on FRIDAY with a fair deour trade increasing in every direction. The supply of grain, feed, when a heavy rain set in, preventing wheat, etc., on the market is very light. The grist-mills of the city have suspended operations; they can hardly spinners being about equally represented in the purchases. Prices at and sell meal at \$3 50 per barrel, and the close were a shade steadier, owing such are the wholesale prices. St. Louis packets charge 20c freight, and Cincinnati boats 15c, and therefore chipments are light. Moreover, the shipments are light. Moreover, the condition of local financial charge to more favorable news from the Eist, but sellers did not place enough confidence in the dispatches to justify an advance; on the contrary, those having the condition of local financial charge to a confidence to a c the policy of "all cash purchases" we tion at lac. Strict Low Middling was attention to the wants of regular demake the following extract from the sunnal spring circular of W. R. Moore & Co., wholesale dry goods merchants of this city. They say:
"With the increased and improved means for the planting and cultivation of last year's cotton, we thought at 18; Strict Low Middlings at 14; positors. Rates of discount are 9a12; Strict Middlings at 14; and a tew bales of Good Middlings at 14; at 1; c. One-third of the purchases were made by one buyer. On SATURDAY demand active, Eastern commercial bills are taken at jaje discount, and although sallers were in sortion to the wants of regular depositors. Rates of discount are 9a12; per cent. at bank and 1a1; per cent. at bank and 1a1; per cent. To p ters of this wasie cotton section seemed in the hopes of 20 cents. We could not but discover including 200 bales sold the previous quality offered. Dealers report 63(a) 20 cents. We could not but discover hooming up in the then future, a wide margin of financial disasters to every one acting more that theory and the fitting of the selling of the selling one acting more that theory and the fitting of the selling of the selling one acting more that theory and the fitting of the selling o one acting upon that theory; and we now again beg to call notice to the Ordinary, 13je for Low Middlings, fact, in order, if possible, to arrest the attention of the few yet remaining who seem determined not to profit by the expensive lessons of the past. The same dangers that, as a agents were about equally represented Gold of 1881...... 5-20 Bonds of 1882... we again warn all country merchants and many very satisfactory transacof the great hazard they will run, if tions were made at an advance they tall to transact the coming sea-son's business with an eye to low prices for future cotton. We went 3741; and the stock on hand at noon, prices for future cotton. We went further. We urged upon merchants the dangerous consequences of large purchases of merchandise on credit at any one time, and tried to show how it was that frequent small propheses. further. We arged upon merchants the dangerous consequences of large purchases of merchantise on credit at any one time, and tried to show how it was that frequent small purchases for cash, or on short credit, instead, would certainly inure to their lasting benefit. Some of them, acting on this theory, can now show balance sheets highly encouraging to their sagacity and prudence; others, who, heed less of it, acted in direct violation of these self-evident propositions, can now only measure their disasters.

\*20 Bonds of 1808, new 1105, 520 Bonds of 1808, new 1 of these self-evident propositions, can now only measure their disasters by the excessive credit and worthless indebtedness created through their stock on hand. 21.22 28.280 46.60 16-40 Bonds of 1868, new... indebtedness created through their too sanguine and unsound expectation sanguine and unsound expectation of control of the receipts of cotton at all the ports Feeling, therefore, the neces- of the United States for the week end-

resue last spring. It reads as follows, viz: "The decade beginning with the present year marks a new era in our history. It is emphatically frue that "old things are passed away, and all things are passed away, and all things have become new." Particularly is this the case, as applied to our whole system of commerce." No teacher is said to be so potent as experience, and, recognizing his suggestions, the wiser merchants of the country are busing their swannah.
